

The Community That Hope Built

Design a new book cover for "The Community That Hope Built" using the setting of the book.

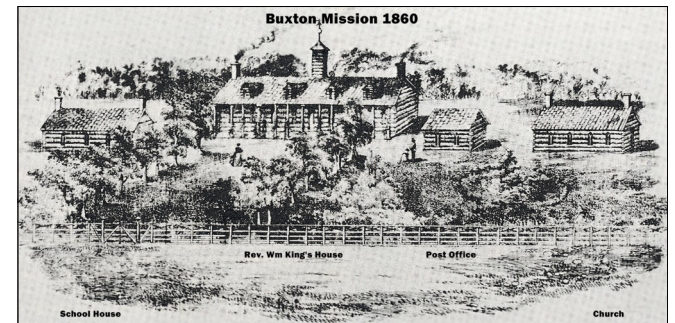

Complete the information needed for the back cover of the book.

Write the book title and the author's name on the front cover.

Draw and color a picture from the Buxton Settlement on the right side of the book cover.

Write your name on the bottom of the cover, where it says "cover designer."

Fold the book cover in half so that you will have both a front and a back cover.
